AGREEMENT

Emergency Care: (All employees of The Classy Canine have been instructed in pet first aid by the American Red Cross.) I agree to allow first aid to be administered to my pet if needed. I agree to allow my pet to be transported to and treated by a veterinarian chosen by The Classy Canine if an emergency arises or urgent care is needed by my pet, and I agree to pay all veterinarian fees (or reimburse The Classy Canine if it paid those fees) incurred for services rendered to my pet by the veterinarian and/or a veterinarian practice.

Matted Coats: I authorize groomers to detangle or remove mats at the groomer's discretion. In the case of a severely matted coat, the groomer may shave the entire coat (shavedown) from my pet. I acknowledge that there are potential health and behavioral risks that may result from a shavedown and that these risks have been communicated to me. I will pay any additional charges that may result from these services.

Service Disruption: I acknowledge that The Classy Canine may discontinue or disrupt any grooming service at any time before or during the grooming process if the pet appears to pose a dangerous or aggressive threat toward humans or other animals, or if my pet appears to be incurring health issues or behavioral stress as a result of the grooming process. I agree to pay an additional special pet handling fee if these situations become evident.

Late Pickups: I acknowledge The Classy Canine does not have boarding facilities, and agree that The Classy Canine may board my pet off-site if my pet is not picked up by the time its grooming department closes. I will pay The Classy Canine an additional \$50.00 per night for the time my pet is boarded.

Indemnify and Hold Harmless: I hereby indemnify and hold harmless Vaughnderosa, LLC d/b/a/ The Classy Canine, its employees, agents, contractors, members, owners, and officers from any damage, loss, or claim arising from any condition of my pet, either known or unknown to The Classy Canine, while in its care, custody, and control.
